Cypress Creek FFA Chapter CDE / LDE / Travel Agreement Information

If a student fails to attend a contest that has already been paid for by the chapter or booster club, that student and family is fully responsible for all financial costs pertaining to the event or trip. These charges may include: entry and registration fees, hotel costs, and pre-paid meals.

All students traveling must have the CTE Parental Permission Slip and Medical Authorization Forms completed prior to the trip and turned into the Ag Science Teachers.

Any student found in violation of the student code of conduct and/or sent to DMC, ALC, or has been suspended for any reason, is no longer eligible to travel with the Cypress Creek FFA Chapter for that year. If school administration or parents are called at any point on a trip for the student's behavior, his or her travel privileges may be revoked. Agricultural Science Teachers reserve the right to search student belongings before trips.

CCHS FFA CDE/LDE Team Qualification Process

CDE- Career Development Events (Judging Teams)

The top 4 student's highest average scores for each team will be the students who are eligible to represent Cypress Creek FFA at the Area III Contest, which is the single qualifying contest to advance to the State Contest.

Method of team calculation: If a student misses a contest for any reason (unless it is for another FFA event at the same time), he or she will receive a score of 0 for that contest. In the average calculation to determine team members, each member is allotted one "drop score". If a student receives a 0 for missing a contest, that score may be dropped. If no contests are missed, the lowest score will be dropped. Students competing for must attend all practices to be considered for the Area Team.

Each team will consist of 3 to 4 members at area, which is the minimum requirement to build a team.

Any FFA Member who is interested in participating on a leadership and/or judging team will have the opportunity to do so as long as they are meeting UIL eligibility requirements and following the CFISD Code of Conduct. All members on judging teams are ultimately up to the teacher's discretion. Practices and workshops may be used as a tie breaker if the need arises.

The number of contests available to attend throughout the year is different for each team. We try to attend as many contests with each team as we are able to.

Students who have previously participated on a team, attended previous contests, workshops, clinics, and/or practices are not guaranteed a spot on the team for the next season. They must display the same effort and are expected to meet the same expectations of all new students who are interested in participating on the team each contest season.

We take pride in the fact that our FFA leadership and judging teams are very competitive, just like everything else we do at Cypress Creek. Our students work hard and have a lot of fun too! We are so proud of them.

LDE- Leadership Development Events & SDE- Speaking Development Events

Students competing for LDEs and SDEs must attend all practices. The final winners of each event that will move on to represent Cypress Creek FFA at the Area Contest will be scored and judged by a 3rd party based on Texas FFA LDE and SDE Rubrics.

SEITZ Fundraiser

Fundraiser will be in the Fall semester. Orders will be ready before Thanksgiving. Each FFA member is expected to sell a minimum of 5 items.

Students must arrange a pickup of items on the day assigned due to the fact the items need to be refrigerated and or frozen.

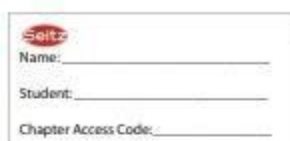

If any money is owed to the chapter, the student will be put on fines and fees and will not be able to exempt until the amount owed is turned in.

The student with the most items sold will receive a belt buckle at the banquet provided by Seitz.

All sales will be recorded through Seitz Mobile App. The code to sign up and sell with our chapter is TX0379.

Exact instructions and pricing will be told during the school day and sent home with the student.

Cypress Creek CDE In-Person Contest

This is the second fundraiser of our two allotted throughout the school year. The Cy Creek CDE Contest will be in the spring semester. This years contest will be held on February 19th 2024 at the Berry Center. We will be hosting over 1300 teams from all over the state to compete in 6 different Career Development Events.

This day is a student holiday (Presidents Day) and will need as many students as we can to attend the event. The money raised is to help sponsor fun class activities, certifications, Awards, travel, hotels, and contests throughout the year.

Achievements and Awards

The following awards are handed out at Banquet:

Proficiencies- there are 18 different essay topics. The members are given time in class to complete a 1 page report on the topic. Members then submit it for an award and a 3rd party judge picks out the winner of each topic. The following topics available are as followed: Beef Production, Swine Production, Sheep Production, Goat Production, Poultry Production, Specialty Animal Production (Rabbits), Diversified Livestock Production, Small Animal Production and Care (Pets), Vet Science, Equine Science, Ag Mechanics, Designs, and Fabrication, Ag Sales, Wildlife Production and Management, Fruit Production, Vegetable Production, Dairy Production, Floriculture, and Diversified Agricultural Production.

Star Green Hand, Star Chapter Farmer, and Most Outstanding Senior- this award is based off of member participation in events and activities such as LDEs, CDEs, Livestock Shows, Tour guiding, FFA Day at the Capital, Officer, etc.

The following awards are handed out at the State FFA Convention:

Lone Star Degree- To receive a State FFA Degree, members must meet the following requirements:

- Received a Chapter FFA Degree.
- Have been an active FFA member for at least two years (24 months) at the time of receiving the State FFA Degree
- Have completed at least 2 years (360 hours) of systematic school instruction in agricultural education at or above the ninth grade level, which includes an SAE.
- Have earned and productively invested at least \$1000 and worked at least 300 hours in excess of scheduled class time, in a supervised agricultural experience program. The combination of hours and earnings multiplied by a factor of 3.33 must be equal to or greater than the number 1,000.
- Demonstrated leadership ability by performing 10 parliamentary law procedures, giving a six-minute speech on a topic relating to agriculture or FFA, and serving as an FFA officer, committee chairperson, or committee member.
- Have a satisfactory academic record, certified by the agriculture teacher and the school principal or superintendent.
- Participated in the planning and implementation of the chapter's Program of Activities.
- As of May 1, have completed ten activities above the chapter level in at least three of six different categories: leadership development events, career development events, conventions and meetings, project shows, student awards and leadership and service as described in policies adopted by the Board of Directors.
- Complete at least 25 hours of community service in a minimum of two different activities. All community service hours are cumulative, i.e. the 10 community service hours used to obtain the chapter degree can be used toward the state degree.

****The above requirements are to be recorded in the student's AET record book in a precise and accurate manner. The student must keep accurate records year after year and work closely with an Ag Science Teacher to complete the checklist. There is a degree check the student must attend in indoor official dress.****
